Regulated Information and Insider Information

Leuven, België – 30 October 2026 – 5:30 PM CET, Option NV, Geldenaaksebaan 329, 3001 Heverlee (Euronext Brussels: OPTI)

Further to its press release of September 17th, Option confirms a capital increase of 3 million euros at 5 € per share, of which 2 million will come from a contribution in kind of receivables from Van Zele Holding and a cash contribution of 1 million from Sol.One, a Belgian drone manufacturer.

This capital increase will take place before the end of the year and will provide Option with a strong balance sheet, well positioned for future profitable growth.
